2. Tell about a specific time when music moved you emotionally or spiritually.
3. What is your favorite type of music or your favorite piece of music? How have your preferences changed over your lifetime?
4. What's your favorite hymn—and why?
5. What, for you, is the function of music in church?
6. Talk about your history of and relationship to music in our church.
7. Where in church (not just worship) could we use more music?
