

## Preparation for S70 – Our Work, Ourselves

We all have work whether we are paid for it or not. Take some time to ponder these questions in the Labor Day season.

- 1) Describe in words, pictures, or song, the journey that led you to the work you do today?
- 2) How is your image of self tied to your work? What would happen to that image if that work were taken away?
- 3) What if the focus was not “what you do”, but “how it is done”? What would change for you?
