

Preparation for T273 – Brokenness

“Brokenness” is the March 2012 worship theme. All month on Sunday morning we will be exploring brokenness. For more resources based on this month’s theme, see the March 2012 Journal (first newsletter of the month) on our church website.

1. What does it mean to you to be broken?

2. When in your life, if ever, have you considered yourself to be broken? How did you get put back together? Did you have help?

3. What did you discover about yourself in the broken time?

4. Do you believe that the older the body, the stronger the soul/spirit? Tell your experience.

5. What are the ways in which you protect yourself from being broken?

This small group session is based on a small group session developed for All Souls Unitarian in Tulsa. Our thanks to All Souls for providing these resources.
