## We are thriving!!

Our Worship Associates, Rev. Nancy Palmer Jones, jo mosher, and the Tech Team have offered inspired **worship services every Sunday since the shutdown!**

**And now our services are multi-platform!**

**We pledged the highest amount ever** for our Fiscal Year 2021-22! Pledges continue to come in strong, and we are in a good financial position!

**We have all been enriched** by the gifts of jo mosher (they/them), our Director of Faith Formation, who offers engaging Times for All Ages during the services, weekly parent and youth check-ins, and Covid-safe get-togethers. jo is guiding the team facilitating the Our Whole Lives curriculum for middle schoolers and their parents, too!

**We reached out!  
Viva Calle San Jose!**

**We played!  
Here we are at the Campout!**

**We worked!  
Service is Our Prayer Day!**
